Gospel hip hop designed for those who enjoy listening to God's word over some smooth beats, warning songs may encourage a change in your life. 13 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Spiritual Rap Details: I am a warrior, I fear nothing, I've giving my life to God to use as an vessel here on earth to get done what's needed to ensure victory through Jesus Christ. Without using any carnal weapons, just my life being seen while displaying the armor of God. Not to judge anyone or repay my enemies, but to give the youth a fair chance to know that Jesus Christ can and will do for them if they ask. And to remind everyone that no matter who you may be or where you come from and or what color you may be, it was only one man who said I love you to death and really did it, and that was Jesus Christ. This has nothing to do with religion I'm just trying to get people to understand what God's plan is for their life that's all, and sometimes It's hard for the younger generation to except this because they can't see, touch or hear God, so I feel it's my job to try and live a christ like life and be an example, and to let people know that none of us are going to heaven perfect, were all going working on it.
