This CD is made up of vocal songs in various styles that I co-wrote; some have been used the TV shows All My Children, One Life To Live, The Young and The Restless and Soul Food. 14 MP3 Songs EASY LISTENING: Adult contemporary, ELECTRONIC: Chill out Details: S.O.S. (Some Original Songs) is a collection of tunes I co-wrote with my talented friends. Either Carl Carter, Karen Fiore, or Ray Greene, depending on the song. S.O.S. could also stand for Songs on Soaps as many of these were used on daytime TV dramas. Shows include ABCs All My Children and One Life To Live, and CBSs The Young and The Restless. One was also used on ShowTimes Soul Food. The fact that they were used on the soap operas explains the spacey music and often sappy love lyrics. But there is some variety. I start with an up-tempo Latin style, and there are also Country Music and Rock cuts. Most everything was recorded (and mixed) by me in my home studio. Exceptions would be Frank Basiles drums and some of Carls bass parts and vocals. Thanks for reading, hope you enjoy the music! People who are interested in should consider this download.
