"Raw, honest, playful, and earthy -- an intimate blend of folk music with a kick. This CD of diverse songs, inspired by Ash's southern Indiana roots, resonates universal themes. With the intelligent, creative style of Robin Williams set to music. 15 MP3 Songs FOLK: Modern Folk, FOLK: Power-folk Details: "These original works blend a variety of roots styles: everything from poetic folk to country blues and even includes a little side trip to Ireland. Mostly solo, earthy tales of travels here and abroad, hard work and the closeness of family. "Passages" follows the well-worn path of the likes of Woody Guthrie and Bob Dylan. It's a real joy to set a spell and swap a few stories with this top notch artist. " - Steve Scott, Hootenanny Holler Folk Aire Radio. "I appreciate his music" - Mike Flynn, Folk Sampler, folksampler.com "Always has me waiting for more." - Donna Schepers, Jasper Community Arts Commission.
