A hybrid mix of soundscapes, melodies, and moods. Textured and trippy, crisp and cool. Billboard Song Contest Award winning. 12 MP3 Songs in this album (55:14) ! Related styles: EASY LISTENING: Adult contemporary, NEW AGE: Adult Alternative People who are interested in John Tesh Mannheim Steamroller should consider this download. Details: Greetings and welcome, all who seek refreshment of the spirit! This album is actually out of print, there are just a few precious copies in existence... "The Silver Swan" has a couple of gems on it, and with good reason to shout out loud about them! "Sound Susan's Horn" won an award in Billboard's Songwriting Contest in 1996 under the "Jazz" category. We now have the genre "New Age" for this type of music but that's what they classified it at the time! Its a haunting song! Squabbles was a theme written for a play by that name and used by the Washington Park Players in their production. Passing Thru Time was also used as theme music for a play by the Washington Park Players, except I cant remember what the play was at the moment! My apologies Adrift has been used in numerous compilations all over the world. Sunset has the Amish hymn Simple Gifts on Clarinet woven into it. Its sumptuous. Thank you for stopping by! Peace, love and blessings to all. Yep, Im an environmentalist at heart. And its not a four-letter word! SAVE THE PLANET!
