

## MP3 The Esther Williams Trio - Up West

[DOWNLOAD HERE](#)

Crocodile Records are delighted to release this outstanding debut CD collection by the trio which offers the discerning listener a gourmet selection of standards coupled with the bonus opportunity (with no cover charge) to become a part of the atmosphere 15 MP3 Songs EASY LISTENING: Lounge, JAZZ: Smooth Jazz Details: All who have visited London and those who live there will have been UP WEST at some time. Some will go UP WEST for a treat or celebration but to many, a visit UP WEST means fine dining. Those who know a little about the UP WEST restaurant scene will discover where Esther Williams and her trio are to be found. Esther has been performing professionally, solo and with her trio from the boats of the Thames to Country Mansions for over thirteen years, with residencies at all the top London hotels and restaurants (including the Waldorf Hotel and Ivy Restaurant), together with the clubs and casinos in Mayfair and Berkeley Square. Crocodile Records are delighted to release this outstanding debut CD collection by the trio which offers the discerning listener a gourmet selection of standards coupled with the bonus opportunity (with no cover charge) and of being very much in style UP WEST! You don't want to think about The Long Journey Home just yet, so sit back, imagine and enjoy. (NB: Londoners generally refer to any journey to the West End of London as going UP WEST.) This CD is available from crocodilemusicand through digital distribution.
