Mp3 The Floating Opera Orchestra - Ginseng: A Soundtrack

DOWNLOAD HERE

A "soundtrack" in the traditional sense: motives, various moods, long and short pieces. At the end you will wonder where you went and if you even left. 24 MP3 Songs in this album (59:04)! Related styles: CLASSICAL: Twentieth Century, JAZZ: Third Stream People who are interested in Tom Waits The Tiger Lillies Beirut should consider this download. Details: This is the 3rd album release from this Austin-based multi-instrumentalist. Brandon Brown re-emerges with the Floating Opera Orchestra - this album being a "soundtrack" in the traditional sense, taking the listener from Eastern European influences, down through New Orleans, up through the Midwest, lost in the desert, ending up in the unknown parts of the Lone Star state.
