traditional and original Irish pub songs - good for drinking stout and Irish whiskey, or just singing along. 13 MP3 Songs WORLD: Celtic Details: This is The Kerry Boys' (Pierce Campbell and Mark James) first recording and was released on CD in March of 1997 and has been widely praised for the quality of performance and sound. The Kerry Boys signature vocal harmonies are the highlight of the recording. The CD was recorded over two days in the studio with few overdubs giving it a nice 'live' feel with instrumentation including guitars, tenor banjo, mandolin, bass and vocals. Included in the recording are original compositions written by Pierce Campbell, 'Mercy It's A Shame', 'The Laddies From Kerry', 'Bredalbane's Reel (and instrumental) and their most popular sing-a-long, 'A Pint Or So' , as well as a fine selection of traditional Irish pub songs.
