The infeKted sound compilation combines 15 UK and French artists to provide a variety of hard, broken, distorted and spastic beats, intense chaotic rhythm coupled with haunting ambience, and harsh intense vocals, a must for any dancefloor. All tracks are 15 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Experimental Details: InfeKted Sound started in 2004 by DJ Matt Noise and was intended to be predominantly a CD distribution company, after funding was pulled the idea was shelved. During this 'cooling off' period Matt has helped to increase awareness of the potential of the UK and has established links with many labels, artists and distributors in order to ensure infeKted sound evolved; it wasn't until Mid-2005 that the idea came into fruition by working closely with Remission studio and EVA|3, infeKted sound label distro was born. "Rhythms for Decay" is an intelligent and harsh dancefloor compilation bringing together artists from France, UK and Canada featuring 15 exclusive tracks from: Flint Glass, Lith, Twinkle, Shizuka, Dyspraxia, FYD vs Chrysalide, E.S.A, Rudra Vena vs Industriepalast, Autoclav 1.1, Queynte, TriaX, Eva3, and also featuring a special contribution from Iszoloscope!!
