In Farquhar McHargs autobiography, a young boy from Glasgow finds himself in the middle of Barcelonas revolutionary underworld at the tail end of World War I. Volume One chronicles McHargs liaisons between the British Secret Service Bureau and the Spanish anarchists. McHarg tells of a corrupt Spanish regime bent on crushing a rebellious working class and the generous and recklessly idealistic men and women who struggled to transform it after rejecting traditional party politics. When a lifelong friend and fellow anarchist was gunned down, McHarg raced to write this epic history before he too could be silenced. This unique, first-person account of revolutionary activities in 20th-century Europe gives rare perspective and insight into modern revolutionary history.
