This beautifully written half-memoir, half-essay, explores the realities of Papa Gods love for you, your identity as His beloved child and heirs, and the transformation of your vision of yourself, others, and world events that this revelation of your place in the divine family brings. Poignant personal reflections are woven artfully with metaphors, personal stories, and an eclectic smattering of quotes and movie references. You, too, are invited to reflect and discover your own divine encounter. You will learn how to see through Heavens eyesthrough the Fathers eyesand that look of love will transform everything, including: God. Yourself. Other people. Your family. Your enemies. The end times. Seeing Through Heavens Eyes is powerfully presented and will bless and free you to experience a deeper relationship with Father God.
