

Soulful Sex: The Fantasy Collection - Laurence, Diana

[DOWNLOAD HERE](#)

Diana Laurence's third and final trilogy collection gives her the chance to explore "erotica with soul" in her favorite genre: fantasy. Three more couples explore the many permutations of romantic love in fantastical settings. In "The Will of Ordanata," Chrystienn is convinced Ordanata is a sorceress up to no good. Eliander believes Ordanata is a goddess. But whether good or evil in intent, the magnificent Ordanata has snatched the two humans away to a secret spot, and clearly wants them to mate. In "The Fantasy Room," the reader discovers a place where your every fantasy becomes real, in all its three-dimensional, tactile glory. The possibilities are overwhelming to Louisa, as is her extremely attractive--and versatile--Fantasy Room partner. In "The Chieftain's Man," 14-year-old Colya is rescued from rape by Captain Adesteis, the Chieftain's son, and pledges her life to serve him. She is determined to become the first Almidian woman to become a soldier in the Chieftain's army. When crisis strikes Almidia, Colya must choose between a woman's love for a man and a soldier's devotion to her commander.
