Show Your Customers EXACTLY What You Want Them To See ...And Sky-Rocket Your Sales Through The Roof! Who Else Wants to Wow Every Visitor With Stunning, Top-Notch Multi-Media Streaming Video Presentations And Convert Each Of Them Into Buying Customers? How about offering click-by-click multi-media presentations of your desktop activity as you demonstrate and explain exactly how your product works? It's been proven. Presenting your customers with something they can actually see sky-rockets your sales I started using "flash" demonstrations on my web sites a few years ago. The first time I implemented them, I ordered "demonstration manuals" that actually didn't even have any audio, just demonstrations. Each "set" of videos would sometimes take weeks to develop and deliver. And yes, I had to cough up hundreds of dollars for each set. Nevertheless, when we put these on our customer support page, our support tickets dramatically reduced by as much as 50. These only /covered a few subjects on our web site; so over several months I ordered an almost "complete set" of every support issue I could think of. As a result, our support requests reduced by over 85 Don't forget, we still use these videos, although we are now slowly moving to the "new generation" full motion videos with audio, such as the

ones made by Instant Video Suite. This gave us the opportunity to concentrate more on marketing and getting more sales; after all, there were hardly any support requests any more. Instant Video Suite videos even go a step further; you can record yourself via web cam as you explain and demonstrate click-by-click exactly how something works right on your desktop. Then produce an embedded web page ready to publish on your web site in one step. Just imagine the effect this will have on your current business or even a new venture whether in boosting sales, or for support purposes. We have now gone a step further. We just implemented these videos on a few of our web sites to boost our sales, and the results coming in are just amazing. In a few days I'm going to update you on the exact figures and measurable results. For now, just suffice it to say... Our signups and sales are going wild And guess what? No more waiting for weeks No more paying hundreds and hundreds of \$\$\$ as someone else prepares flash videos for you YOU show them and tell them exactly what you want to yourself No more complicated technical knowledge and expertise needed Simple, do-it-yourself, top quality action videos in just a few minutes Tags: software program, reseller software, resale rights, master resale rights
