Survivors of a plane crash in the Cascade Mountains of Washington State, in the middle of winter, remain determined to survive even though the odds are stacked against them. The "survive first", then "wait time" is spent by a fire, where they discuss any and all subjects; religion, personal histories, goals and dreams, some satisfied and some never realized. This emotionally charged story tries to reflect what crash survivors really experience in this unimaginable scenario. Once again you are asked to place yourself into the story and see if you agree. Deeply reflect on all the things you have gained and lost in your lifetime, up to this given point. This is the opportunity afforded to these survivors by tragic circumstance. Everyone could use a little soul searching time in this fast paced world. Author: Weddle, J.G. Publisher:
