

Character Building - Booker T. Washington

[DOWNLOAD HERE](#)

Character Building first appeared in 1902. While enormous changes have occurred in all phases of African American rights and responsibilities, Booker T. Washington's broad outlines on building moral character have remained intact. For those in search of the ideological roots of black life in post-slavery times, this text will be a reminder of where the American nation has come from and, arguably, where it is going.
