

Dakota: A Spiritual Geography - Kathleen Norris

[DOWNLOAD HERE](#)

"A book of stories, a book of prayer, a book to be read meditatively and well," DAKOTA offers a timeless tribute to a place in the American landscape that is at once desolate and sublime, harsh and forgiving, steeped in history and myth. From the award-winning author of AMAZING GRACE, DAKOTA is Kathleen Norris at her most thoughtful, her most discerning, her best. She gives us, once again, a rare "gift of hope and balance, a place to begin" (Chicago Tribune) and assurance that wherever we go, we chart our own spiritual geography.
