He has been performing his original works for over twenty years in churches and after much encouragement, recorded this CD. His love of God and His wonderful creation inspired every song written for this project. Every note you hear was sung, played or programmed, recorded, mixed and produced by Alan so this truly is a solo effort. In this CD, "Like Water", you will find songs of life, love and loss flavored with an overall faith in God that you will find comforting. From the spirited, "Perfect Love", to the prayerful "Like Water" or the heartbreaking "The Shoebox", you will find yourself moved. "The Shoebox" was written by Bill Bruce in memory of Meghan Mack, who at 2 1/2 years of age lost her struggle with leukemia. Each CD sold will result in a donation in her memory. In addition, all proceeds made from any airplay of this song will be donated in her memory as well, so please request that this song be played on your local radio stations. Let's help make a difference in the fight against leukemia and keep Meghan's memory alive. Donations can be made at: [caringbridge.org/fl/meghansjourney/index.htm](http://caringbridge.org/fl/meghansjourney/index.htm) The song, "The Center Of My Heart" was the number one song for the month of January 2006 on the Internet Christian radio station Whitedove Radio!
