"A stylish brand of garage rock" - Get Out, 2005 9 MP3 Songs ROCK: Modern Rock, ROCK: Punk
Details: "A brave deconstructionis act . . . a stylish brand of garage rock . . . raises the stakes" - Get Out, Jan 2005. "Punky and eclectic . . . powerful Karen-O-like vocals" - The Rep, Dec 2004. " . . . channels Exene Cervenka of "X" fame . . .we've been listening to the new Blue Fur album, which rocks." - Arizona Republic, 2005 Blue Fur was born in 1996 in Phoenix, Arizona, the natural outgrowth of sesame street tunes, reel to reel tape, day-old thai food, bad breakups, sleep deprivation, caffeine, and vintage gear (read: pricey hard-to-find tubes). If Shirley Manson and Mick Jagger had four kids who grew up listening to the Circle Jerks and Sleater-Kinney, but took music lessons from the Doors, well...this might be it.
