Testimonies I really like your CD. I already have several favorites. Can Anything Happen Without the Lord's Permission is probably my most favorite. I love your words, and I especially like the rhythm- it sounds a little soft Latin to me I really love that type of music. Next, I like You Are Lord of All like a love song to Jesus so precious. Then, God Never Leaves You is very pretty. I also like the rockin songs reminds me of the secular music of John Mellencamp great beat, but your words are much better than his, of course. The Prayer Song is a perfect way to round the CD just beautiful. And your background music and vocals are terrific very professional. Well done!! You have a wonderful gift of music. D Watson
