Wonderful songs with strong melodies...They are fresh and full of passion and conviction. George David Weiss, President, Songwriter's Guild of America Likeable, warm and engaging...with intelligent and fresh lyrics Claudia Koal, Director, Songwriter's Guild of America Extremely heartfelt and real, as if in communication with close friends... Good Times She'll make you feel she's someone you grew up with... Chip Deffaa, NY Post "The disc came without the usual fanfare - no record company hype - straight from the artist herself. Just judging by one listen to "Heaven," "You Kill Me," and "Human" it's clear that Cooper's got the potential to make it in the big leagues. Her solid pop sensibility, a warm and inviting vocal style, and way with words should definitely land her a deal. Why she hasn't been picked up by a label yet is a mystery to me." Aquarian Weekly
