Contemporary Jazz, Latin, Fusion, and Smooth Jazz. 14 MP3 Songs LATIN: Brazilian Jazz, JAZZ:

Traditional Jazz Combo Details: Hope - Esperanca Contemporary piano jazz with Brazilian and Cuban influences with cameo appearance of good friend Pete Escovedo. Applied for 2003 Grammy award.

"Claudio Medeiros is an outstanding new interpreter of some of my favorite music." Jimmy Lyons, founder of Monterey Jazz Festival. "Claudio is a very strong pianist, apparently able to play anything imagination suggests. It is seldom I hear an instrumentalist who can easily move through various meters, yet be able to separate the influences so clearly." Phil Elwood, music critic San Francisco Examiner.
