Texas Country from the dirt up. - If you are a fan of the music that made Robert Earl Keen, Pat Green, and Cory Morrow... you are going to dig this. 14 MP3 Songs COUNTRY: Modern Country, COUNTRY: Country Pop Details: Truth is.... Dan is from Texas and his music is honest if nothing else. "Truth Is" also the title of his Freshman release on his own label, Audio 11 Records. Dan's country sound is fun, straight forward and seasoned by a folk edge that brings a fresh spin to the genre. The work contains everything from an up beat song about a lost love with a fondness for footwear (She Likes Shoes) to the true story of his parents marriage (40 Years). The project was a year in the making and worth every moment. As Dan states "...we were blessed to get some tremendous talent to help us on the record." Tremendous talent is no exaggeration. Some of the players on the record include Texas steel and dobro legend-Lloyd Maines, Ace In The Hole Band's fiddle virtuoso-Gene Elders, two time Grammy winner-Floyd Domino on keys and renowned producer-Ernie Wells. Raised in Lubbock, TX, Dan was exposed to the music of many local favorites. The Maines Brothers Band, Terry Allen, Buddy Holly, Roy Orbison, Joe Ely, Waylon Jennings, and Mac Davis to name a few. Just as most typical teen's worship rock and roll, Dan was no exception. Bands such as Van Halen fast became Crump's musical passion until his first few years at Texas Tech University. While working at a guitar shop and attending college, Dan befriended another songwriter named Pat Green. "Pat turned me on to guys like Robert Earl Keen.... who knew that he would someday be selling out stadiums himself! I really enjoy almost all styles of music, but it wasn't until later that I discovered how much I truly love the Texas singer-songwriter thing..." claims Dan. "I think the song writer has been in me all along - no matter how hard I try to shake it!" Dan jokes. "Figure out what that one thing is and go for it.... The tough part for most people is figuring out what their one thing is." - Dan Crump
