A rich blend of world and new age styles with exotic, well-defined melodies and percussion bringing fire and passion to a spacious and unobtrusive new age backdrop. 10 MP3 Songs NEW AGE: New Age, NEW AGE: Ambient Details: at once searching, hopeful, and mysterious Waking Dreams rises above the usual glut of "ambient" or "ethereal" (or whatever this week's label is) to actually accomplish what music is supposed to do - communicate. Gigliotti's compositions are filled with a simultaneous sense of urgency, hope, and mystery, and he effectively communicates these to his audience. The production is also top-notch. Charlie Livingston About the Music Waking Dreams is an upbeat synergy of world and new age styles. Well-defined melodies, and the changing textures of percussion are the form within the spaciousness of a new age backdrop. Hand drums, classical guitar, piano, and sounds from around the globe combine to make this music fiery and passionate, yet unobtrusive. Though listeners find it relaxing, it is also refreshing; not something that puts you to sleep. It's the kind of music that will allow the mind to wander happily as you drink your coffee, clean your house, take a drive or just listen. So, relax and enjoy this rich blend of world rhythms and exotic melodies that's perfect for creating an expansive atmosphere to explore your own "waking dreams"... About the Artist Dave Gigliotti has been performing for live audiences for more than 20 years. His experiences have ranged from singing sea shanties on an 80' schooner, to playing sports arenas. Though somewhat mysterious, we hear he has a fondness for pie.
