Cool versions of holiday classics -- plus some original songs, too -- to freshen any holiday mix. 21 MP3 Songs POP: Pop, ROCK: Adult Alternative Pop/Rock Show all album songs: Not Just Another Holiday CD Songs Details: Like us, you rank music right along with food, shelter, and clothing: an absolute essential. It's your personal soundtrack, your calling card, the rhythm you walk to, the vibe you emit. What's more, not only do you identify WITH music but you identify THROUGH music. We're talking all kinds of music, too. Rock, jazz, folk, pop, world, blues, classical... you won't be pigeonholed by cookie-cutter formats or demographic fads. Sound about right? Were building Garagista to be a gathering place for people like us. Here, great music, spanning various genres, is paramount. New artists coexist with legends. Sounds of all sorts blend together, just like they do in your home library. Think of Garagista as a trusted guide... a way to discover new music and to be reminded of lost gems, handpicked by music nuts like you. We created this holiday collection, pretty much just for fun, to help you add some new things to your holiday mixes. We hope you enjoy listening to it as much as we enjoyed making it. Tags: pop
