

Mp3 Jackie Ely - Don't Explain

[DOWNLOAD HERE](#)

Jackie brings back soft, smooth blues and jazz classics immortalized by the likes of Billie Holiday, Judy Garland and Etta James. 10 MP3 Songs BLUES: Blues Vocals, JAZZ: Jazz Vocals Details: Don't Explain is excellent entertainment for the sophisticated listener who cherishes the distinguished classics and standards of the 30's 40's and 50's. Jackie Ely's debut CD is a blend of the great standards that influenced Jackie throughout her singing career. From the sultry Good Morning Heartache to the lively Say It Isn't So; you will not be disappointed in this repertoire of the timeless classics. Jackie's strongest attribute is the gift of bringing new life to songs with her unique approach to music. With a voice so smooth and mesmerizing, you will find yourself dreaming as she sings. Backed by producer, musician Bobby Van Deusen and other talented artists, the instrumentals are equally as delightful on this intoxicating CD. Her beautiful, genuine voices combined with her personal heartbreaking interpretations are sure to capture your heart. Her voice simply drips with passion. Born in Motown and later transplanted to Destin Florida, Jackie's musical trip started at the young age of 10 with voice and violin lessons. Furthering her career, Jackie participated in her church choir, school choir and starred in several High School productions. Many summers were spent at the world's oldest, most successful camp for young musicians; Interlochen Art Camp in Traverse City Michigan. She has captivated audiences with her versatile approach in music from the Midwest to Key west and abroad. Jackie is currently working on her second CD. Stay tuned.....it is certain to be another blockbuster!
