

Mp3 Jonathan Hayes - Rules Of The Universe

[DOWNLOAD HERE](#)

Very Original pop/rock with a funky edge and great hooks 10 MP3 Songs ROCK: Modern Rock, POP: Beatles-pop Details: " Rules Of The Universe " Rules of the Universe is the latest release from L .A based singer/songwriter Jonathan Hayes .The self produced and recorded cd includes 10 great tracks already being used for T.V and film projects .Jonathan is a published artist/composer/producer from Hollywood California with a great ability to produce strong memorable tracks for t.v, film and other artists. Jonathan has been writing and performing for most of his life. The youngest of seven children he comes from a family with a strong background in the music industry . Jonathan's brother Chris Hayes was in the band Huey Lewis And The News and wrote many of their great songs like "Power Of Love" and "I Want A New Drug". His brother Kevin plays drums and writes for The Robert Cray Band. And his sister Bonnie Hayes is an outstanding songwriter and performer writing such hits as "Love Letter" and "Have A Heart" for the grammy winning Bonnie Raitt and many other artists..Growing up in this environment has only magnified Jonathan's ability to write and produce for himself and many other artists. Some recent credits include the following. 2004 "GHOSTS NEVER SLEEP" STARRING FAYE DUNAWAY, SEAN YOUNG AND TONY GOLDWYN (GHOST).
