Texas honky-tonk style country music; kick-ass Texas music. 10 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Rock Details: Band Members: Kevin Havron - Lead Vocals and Acoustic Guitar Chris Touchton - Lead Guitar, Background Vocals, Lead Vocals Randall Niemtschk - Drums, Background Vocals Earl Hinton - Bass, Background Vocals, Lead Vocals The Kings of the Motel 6 are from the Austin, Texas area, and they play all over the State. Kevin Havron's rich vocals and Chris "Hurricane" Touchton's bad-ass guitar licks form a force to be reckoned with. Randall Niemtschk and Earl Hinton make a solid-as-a-rock rhythm section to anchor the whole sound. They always put on a FUN show, and love to interact with the audience. They range from playing their original music, to their own "kinged" versions of old country staples. They may even break out an old rock-n-roll tune every once in a while. Think TURBO HONKY-TONK.
