

Mp3 Polybeat - Space Art

[DOWNLOAD HERE](#)

A blend of electronic and classical music 12 MP3 Songs ELECTRONIC: Soundscapes, NEW AGE: New Age Details: Polybeat: "space art" FASTERTHANREALITY/SUPERNOVA Records | Cat No. FTRCD003 Release Date: Spring 2004 Much awaited first album from POLYBEAT, an artist ahead of his time. Unique in it's blend of classical music and electronic beats. Contains Aquarius from L'Oreal's special FX CD-ROM Polybeat will eventually pop up as a backing music to endless TV programs. Check it out now, before it catches you by surprise in a year or two. DJ Magazine A new age star has born. NEW AGE BEAT Magazine Polybeat sounds like nothing you heard before - yet the sound is so familiar it feels it has always been in your heart. CD POOL The artist | Alfredo Violante Widmer produced music under different artistic names for various labels (including his own SUPERNOVA records). Various TV programs currently use his music and he has been touring as a DJ all around Europe including most summer festivals. POLYBEAT is the latest of his mysterious creations. The sound | Polybeat is a unique blend of classical music and landscape electronic rhythms. He creates his own unique sounds using state of the art synthesizers. The result is an intense heartbreaking music that reaches your soul.
