Classical Indian tabla with jazz, funk, Latin, trance and tribal grooves with East Indian Ragas 9 MP3 Songs WORLD: World Fusion, JAZZ: World Fusion Details: Raga Jazz, the latest release by the Ray Spiegel Ensemble on the Simla House label, connects Indian classical, devotional, and folk melodies and rhythms with Jazz and Latin bass and drums in the unique style Ray has forged with the ensemble's first release, Sum and Kali. Ragas on the Indian slide guitar and sarangi sing beautiful melodies over carefully crafted grooves, with John Benitez' bass and Tani Tabbal's drums locked in sync with Ray's tabla. Barun Kumar Pal (slide guitar) provides soaring and beautiful melodies and solos, while complimented by the incredible Sarangi (bowed string instrument known in India as the "voice of 100 colors") played by master Ramesh Misra. Stan Scott plays the acoustic 6 string guitar on several tracks and also the harmonium, the acoustic keyboard of India.
