"In Rock Steady Rodeo, the reggae one-drop beat - laid out by rhythmic slashes of keyboards and rhythm guitar and syncopated basslines makes for an easy-rocking foundation for the band's greatest asset, Bird Bellony's tasteful six-string architecture. 13 MP3 Songs WORLD: Reggae, COUNTRY: Country Rock Details: Reggae Cowboys were formed in Toronto in 1993. Their name came from their fascination with the little-known role of African-Americans in western history. The band members are Stone Ranger - lead guitarist/lead singer/producer; Clic Masta Sync - rhythm guitar/singer; Marshall Evanson - bass; Sty - drums. Reggae Cowboys tour extensively across U.S and Canada.
