A blend of 80's hip hop with today's techno sounds, also a deep house trance version for those late hours. 7 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: Deep House Details: A Native New Yorker and long time D.J R/LU (pronounced "arloo") aka Luie Rivera has reached the opportune time in the music industry to express his musical variations to all sorts of enthusiasts. By keeping an open ear to all forms of music R/LU enjoys the creative aspects of composing, engineering as well as mixing and editing. "Enough to keep me totally involved as well as extremely busy". Back in the 80's and 90's R/LU has many edits credited to his name (Luie Rivera). Artists such as Ashford and Simpson, Donna Summer, Grace Jones and Cover Girls to name a few. The list is too long to name them all. As a D.J. he has hit the air waves (a five year run) producing countless hours of non stop music mixes for local radio stations. " While spinning in some of the top clubs in New York, as well as guess spots in other parts of the country, he has managed to get his tracks in several T.V. shows including "Baywatch and Maury Povich. My intentions are to create music that can attract many age groups regardless of genre". Expect versatility from R/LU, for his creativity and love for music has no boundaries.
