Corinne Bailey Rae should consider this download. Details: Sheree Brown is a internationally reknown singer/songwriter with albums in the past on Capitol Records and more recently the independent release '83 and SBPR (with Patrice Rushen). She is the co-writer with Patrice Rushen of "Haven't You Heard" which last year became the foundation for Kirk Franklin's award winning song "Looking For You".

Zhakanaka is a project that inspired by the need to reach out against the senseless violence plaguing our black communities across the nation. The Friends include Patrice Rushen, Pixote Hunt, Douglas Johnson Sr and J Davey. The disc is a companion piece to a book of the same name.
