Mp3 The Cheatin' Wives - Blame It On The Whiskey

DOWNLOAD HERE

Country-ish songs about drinking and cheatin'... heartbreaking odes to the kind of misery only the inebriated could possibly endure. 10 MP3 Songs COUNTRY: Country Rock, ROCK: Americana Details: It's a universal lament, because so many of us have lived through this world of hell. It's a world of bad decisions and quality hangovers. Its a world of warm beer and cold, cold women. In this world it doesn't matter who broke what vow first - there always seems to be more than enough guilt, shame, and whiskey to go around. In this world The Cheatin' Wives are the kind of band you would find on the jukebox. Welcome to the world of the Cheatin' Wives.
