A string quartet performing all-original compositions. The Two Star sound is dark and playful, melodic and cinematic. 8 MP3 Songs CLASSICAL: Contemporary, CLASSICAL: String Quartet Details: Two star symphony is sometimes a string quartet and sometimes an eight piece orchestra with clarinet, percussion, marimba and clarinet. Our big goal is to do film score. We have scored a few silent films for the Museum of Fine Arts Houston and are currently scoring the Brecht play "The Good Woman of Setzuan" for the University of Houston. We also enjoy writing music for dance and have worked with the student company of the American Ballet Theater. We have a wide range of influences from traditional classical to hip hop and gypsy music.
