EASY LISTENING: Soft Rock, POP: Delicate Details: A musical scene where peace is! "Ylond Miles-Davis has entertained many fans from, daytime festivals on Pier 39 in San Francisco, to private parties, swanky Bay Area night clubs, and sold out venues such as Slims, and New Georges." Another manifestation of a past life includes performing with her highly charged acoustic trio. Miss Courtesan Julie, a song about overcoming a dark experience sprang up on Groovin High: The Drum project, a release in Japan by Rhythms Drums magazine. And music lovers in the old Continent appreciate memories of the past, and have compared her style with the likeness of Jim Morrison's poetic prowl. Ylond Miles-Davis lyrics thunder like a mighty river. Victimizing hooks and melodies soothe souls. According to listener's her songs and vocal style, "heal wounds, and speak to hearts." Alleluia! Bread of Angels, Intercessor, friend of muses. Plead for her, where the songs of all the sinless sweep across the crystal sea. Here on earth she knows her place. She is carrying a message. She is in the service of providing honest, real, and refreshing music. People who enjoy it are coming directly to her to get her music because it is a real experience. Ylond Miles-Davis who is she? She is a poet, a charismatic performer, and provides listeners with songs from her heart. Ylond say's " we musicians need your support and CD proceeds her being donated to animal cruelty centers." Streaming melodies, and redeeming verses, pleases her listener's ears, and her new CD My Pain is Mine is a must have for all music lovers. Her artistic endeavor speaks of triumph, sorrow, pain, freedom, and matriculation. A cross between alternative and commercial? Boxing this artist in would be short sighted. Her identity will ultimately cross all musical boundaries. Ylond Miles -Davis takes listeners on a rich, emotional musical

journey. My Pain is Mine, her new CD pushes yesterday, today, and tomorrow into new realities of self awareness. Visit [ylondmilesdavis](#) Look for Ylond in your future.
