Tactical Pleasure J. C. Wilder Book 1 in the Men of S.W.A.T. series. Police Officer and S.W.A.T. team sniper John Stephens has the hots for the luscious Miranda White. She's sexy and curvy in all the right places, and John has heated fantasies of tearing her polyester waitress uniform from her lush body and showing her what handcuffs were really meant for. Though Randa has long had a secret crush on the handsome police officer, it was too bad that he was a serial dater. As a respected business owner, she has no plans on becoming known around town as Stephens' Flavor Of The Month. Her plans change when, after a quick tumble in her pool with John, she realizes that denying her attraction to him is the last thing she can do. Being with Johnny was a pleasure no woman should be denied. Author: Wilder, J.C.
