

The First Time We Kissed - Letters To A Girl - Allan Seems, J.

[DOWNLOAD HERE](#)

Brought together inside an average summer night, she pulled him in without realizing what would eventually come. College was of little importance to him, as adulthood and its life draining steps would ultimately destroy his inner spirit. She was awaiting the white picket fence of the All-American suburb dream that would be hers someday. With one spontaneous action, the first time they kissed sparked a sense of commitment, visions of love beautiful and painful to feel, and ultimately a bond forged within midnight runs, binge drinking, friendship, choices, blood, broken minds, betrayal, and salvation. The First Time We Kissed documents a fictional struggle inside the peculiar years after high school where a person is supposed to evolve into something more. We follow one man's story of the one who got away over and over again. It just wasn't in them. Not marriage, not the miles, and not even a tragic accident could wash away what they had innocently built within each other over so many years. These letters tell a story appearing to glamorize a Northern Central states problem that is passed on from generation to generation, decade after decade to this day, which is excess. Get in the car, toss the driver a beer, and

do a little tripping. Harmless, isn't it?Author: Seems, J., Allan Publisher: Double Dragon Publishing
