Attention Current Ebook Authors & Aspiring Ebook Authors. . . . "You Spoke...We Listened..."

"Introducing 5 New, And Improved 'White Paper' Style EZ Ebook Templates" "Make Your Ebooks Look Stunning And Professional With 5 Brand New 'Perfect For White Paper PDF Ebooks' EZ Ebook Templates" Guess What. . . .There Even EZ-ier To Use Now! From the desk of : Your Name Here Date: Sunday, August 31, 2008 Okay, here's the "buzz".... There's been some feedback about the EZ Ebook Templates Packages lately from them storming across the marketplace like a wild beast. People are loving them. In fact, they've been coined "the next trend" by some. And we couldn't be more thrilled about it! But, and you knew that was coming didn't you, there's been a tiny little back-lash regarding the designs. There's just something about adding waaaaaay too much color that makes the designs, well, less desirable to a few folks. So, we came up with the perfect solution.... Creating a package with nothing but "white paper" style designs sticking to black and white shades only. And, we came up with 5 of them. All different. All perfectly designed for those that want a little less color and a little more focus on styled layouts. If You Are Someone That Wishes They Had More 'White Paper' Ebook Template Designs, Then This Package Has You In Mind In fact, we took this "too much color" idea, and even incorporated it into the new graphics for this selling this package too. Just take a look around at this page. Plenty of white with very light, pastel colors. Very pretty. And, we think, just as professional as the more colorful versions found about the Internet. Stop Working Your Hind End Off To Make Your 'White Paper' Ebooks Look Good When You Can Just Load Up A Fresh, Pre-Formatted OpenOffice Writer Ebook Template! Uh Oh! You've never heard of OpenOffice Writer before? What??! You're kidding me, right? No? Okay, then let me tell you. . . . If You Can Use Microsoft Word, Then You Can Most Definitely Use OpenOffice Writer! Plus, it's a FREE solution to MS Word. Okay. Fine. But, what if you don't even know what either of the

two previously mentioned programs are? What if you've been simply using Notepad to write up your content? Can I ask you a serious question? WHY???! You can do so much more with OpenOffice Writer than a simple text tool it's mind blowing. Really! If you DON'T have OpenOffice Writer installed on your system, then we have to STOP RIGHT NOW and get you downloading a copy immediately. ( You'll thank me for it later ) So, before you even finish reading this page, I want you to get your tail on over to OpenOffice and get to downloading their suite of tools. Are you still here?? Go do it. Don't worry, I'll wait. . . . Right here in the background. . . . All done? Great! Now, why did I make you leave this page to go download OpenOffice Writer? ( this question only applies to those reading this page that didn't already have OpenOffice Writer \_ ) Because without it, you cannot use the ebook templates inside EZ Ebook Templates Package. Plus, it didn't cost you anything but a few extra minutes. ( see? ) All right, on with the show. . . . If you're just now discovering EZ Ebook Templates Packages, I'll briefly explain to you what they are, what they do, and how they can help you reduce your work load as an ebook author . . "What Are EZ Ebook Templates?" EZ Ebook Templates are just what they sound like. They are ebook templates specially formatted to work inside of OpenOffice Writer to create PDF ebooks with loads of style. EZ Ebook Templates are hooked up with the latest styles and are easy to work with. Don't misunderstand the use of the word "template". Other sites would have you believe that in order for something to truly be called a template, then it must be in a template file format. EZ Ebook Templates are indeed templates, they are just saved in the easiest type of format you can work with inside OpenOffice Writer. As .ODT files. Don't let our competitors fool you. Every EZ Ebook Template IS, in fact, a TEMPLATE. It's just not "official" to them because we decided to use a simple, "double click to open" file extension for our templates instead of using the harder to load within the OOo Writer program "official template format". The only drawback is you have to have OpenOffice Writer. But, the upside is that OpenOffice Writer is 100 free to download! You might be thinking. . . "Are they really that easy to use?" We think so. And many other people do too. What could be simpler than opening up one of our EZ Ebook Template .ODT files, adding your own unique ebook content through the magic of "copy and paste", and hitting a "create PDF" button without all the headaches of creating your own snazzy looking formats? Other than me coming to your house and doing it for you, nothing! "What Do EZ Ebook Templates Do, Or, How Do They Work Exactly?" EZ Ebook Templates give you the opportunity to create PDF ebooks that look completely professional. But without all the head pounding hours of work. Especially with this "please almost

everybody 'white paper' layout designs" package. To use them, all you need to do is open up one of the specially designed .ODT files inside OpenOffice Writer and add your content. You can make changes to the text colors, the fonts, the line spacing, the backgrounds, anything you can think of, or know how to do. If you can use OpenOffice Writer, then you can use EZ Ebook Templates. Once you discover how truly easy it is, you will never go back to the amateur looking PDF ebooks again. "How Can EZ Ebook Templates Help Me And My Online Business?" Hiring someone to create a custom ebook template for you can be extremely costly. But doing it yourself can suck up huge chunks of your time. Then you're left figuring out which is more important to you, your time, or your money? When you pick up a copy of EZ Ebook Templates, you'll never have to pay someone to generate a custom ebook template for you since you'll have plenty of colors to choose from in any EZ Ebook Template Package. You pay once and have the ebook templates to use over and over again anytime you need, or want one without taking up chunks of your precious time. EZ Ebook Templates will save you precious time and money. "What's So Special About This EZ Ebook Template Package Then?" Frankly, I'm glad you asked. But, rather than just tell you, let me show you what makes EZ Ebook Template Packages so special. Let me give you a quick example of what your ebooks could look like if you used just one of these stunning OpenOffice Writer templates for your next project. . . . First. . . Here's what a normal, non formatted PDF ebook made in OpenOffice Writer looks like: (Hint: That's also what a normal, non spruced up Microsoft Word ebook looks like too! -- Maybe yours looks even worse than that -- If that's the case, then you really need this package!!) This time around, we're not going to focus on using color to spruce up your ebook layouts. Nope. Instead, this EZ Ebook Template Package makes your content the main focal point of your PDF ebooks and special reports. And that will make everyone happy! Ready To Take A Gander At What's Inside? Then feast your eyes on this : See the difference? Now, we've added a little bit of grays, whites, and blacks with a smokin' hot ecover graphic. That's a huge difference from the boring old PDF document first shown. Don't you think? Pretty Cool, right? Hold on to your keyboard, 'cuz I got more to show ya. . . Was that a fully linked Table of Contents?? Yup. And, in true 'white paper' style to boot. You get one of those in every EZ Ebook Template design! How's about some more? All righty. . . "I get the actual chapter pages too?!" Yup. You get those too. In every EZ Ebook Template design. Are you impressed yet? No? Man, you're tougher than I thought! Okay, here's even more 'cucumber cool' samples of ebook templates included inside this EZ Ebook Package...All In 'White Paper' Style : ( to really appreciate these templates,

you have to see them full scale, not at 75 scaled size and optimized, like they're shown in this web page )

Finally, you can own an EZ Ebook Template Package that gives you 5 beautifully simplistic 'white page' layout designs. But, even if you want to add some color, you can! Because every single EZ Ebook Template comes with it's very own .PSD Photoshop file with all the color overlay effects already in place. Imagine it. In just a few simple clicks, you could change your gray templates into eye-popping colorful ones in mere seconds. EZ Ebook templates truly is the most exciting package of ebook templates you will ever download . . . . Anywhere. That's why we say. . . . EZ Ebook Template Package Is The One Product You Need To Start Stylizing Your Yucky 'White Paper' Ebooks Into More Stylized Works Of Art. . . Without All The Hard Work! "Yeah, But I Can Buy The 'Other Guy's' Package For A Whole Lot Less And Get A Whole Lot More Designs...Why Bother Buying Yours???" Of course there are other ebook template packages out there that have hundreds of designs. Let me ask you a serious question.... What are the chances that you will actually use all those designs...EVER?? Why not just get a package that doesn't over-complicate things and provides you with stunningly beautiful and simplistic designs?! And, Always Remember... quantity doesn't always win over quality. You definitely get what you pay for. And that's what you'll be getting when you download your copy of EZ Ebook Template Package #6 today. Full on quality (worth the cost) in every EZ Ebook Template design you ever download. So, if you're an ebook author, or have access to any Private Label Rights products, and you really want to take your ebook designs from 2nd grader status up to the head of graduating class, then EZ Ebook Templates is the package for YOU! If you don't believe what I just said, then you had better go back up and look over the ebook template design samples right now! But, if you need just a wee bit more convincing before you decide, then read this next section very carefully... EZ Ebook Template Package Can Help You. . . Create Colorful PDF Ebooks That Look Terrific & Professional In Less Time And With Less Work Include Actual Linked "Table of Contents" Menus Within Your PDF Ebooks Have Pre-Formatted .ODT Templates You Can Utilize To Generate Your Own Unique Works Day Or Night And Do It All In Less Time Than Trying To Come Up With New Designs All On Your Own -- Or Hiring A Professional To Do It For You! What more could you possibly want? Okay, okay. I'll throw in another "on the house" bonus for you. But only if you act now. . . . You Will Also Receive Full Master Resale Rights To This Entire Collection You read the above correctly. I will throw in Full Master Resale Rights to the EZ Ebook Template Package, all 5 Bonus "Quick Start" Videos, a copy of this very sales page, including all graphics, and a copy of the pre-designed 'thank you'

Hey, if you need some type of extra-super-hyped-up-exclusive 'bonus' collection of crappy products to justify your purchase today, forget it! This package is worth much more than the price I am offering it at. I want you to take a look at just one "professional" ebook template designing company's web page....Pay close attention to the prices listed there.... See One Of My Competitors & Their Pricing Set Up Can you believe what you just saw?? They are really charging \$99 for just ONE design!! Yes, that is NO misprint or mistake. Of course the designs are beautiful and the company has every right to charge that much for their templates ( by the way I might add they are not designing for OpenOffice ). And of course you will see that they also specialize in brochure and newsletter type layouts. NO EBOOK TEMPLATES AT ALL!!! Such a shame :-( Bad for them, but GOOD for YOU since you've found this invaluable resource!! Inside EZ Ebook Template Package #7, you're getting 5 different 'white paper' ebook template designs for less than the cost of ONE template on my competitors site. You get everything listed on this page to turn you in to a PDF ebook design pro with very little effort. And, without the need to keep paying an actual 'pro' to do this for you over and over again. I guess you could consider that a bonus, right? Okay, I'm Sold! How Much Will This Outstanding Ebook Template Package Cost Me? And just how much is it? Well, I'll tell you how much it isn't! It isn't \$97. It isn't \$77. It isn't \$47, although this would be a fair price. All you'll pay, and it's a one time only fee, is just \$27. That's right, for everything mentioned above, including Master Resale Rights, it will only cost you a one time \$27. And, since this is a digital product, you can download this collection, and all the sales materials, immediately after your payment is made through our secure server set up. ( It's through PayPal, so you know your personal information is safe 100. ) So, How Much Time & Money Do YOU Want to Save on Your Next Ebook Project? How much of your own time and money do you want to save to put towards other projects by cutting out all the headaches of coming up with your own designs from

scratch?! Or, a better question is . . . How much is offering a solution to hoards of people searching wildly for any OpenOffice Writer ebook templates worth to you? Let alone those of the high quality offered here? If you want to waste more time trying to find even one other collection of these types of ebook templates, go ahead and be my guest. But, I can bet that after hours of fruitless searching, you'll find your way back here again. Why go through all that and waste even more of your valuable time, and sanity, looking for another solution when there's already one right here for you to take advantage of??? Time is ticking, don't waste any more of it wondering if you should download this one-of-a-kind package. You already know the answer. Go ahead and make the decision to work smarter, and stop working harder for goodness sake!
