

How To Create Your Own Professional Flash Website

[DOWNLOAD HERE](#)

How to create your own professional Flash website This amazing new eBook allows anyone with a PC and an internet connection to create their own professional Flash website in under 15 minutes! Click [HERE](#) to view a sample website that was created by following the instructions. Everything in your Flash site can be fully customized to suit your needs, even the background music! There are over 50 different templates and designs to choose from so you will have no problem finding a design to fit your needs. Not only that but you can also add the following interactive elements to your site (as shown in the sample): - - Polls - - - - Guestbooks - - - - Forums - - - - Email Forms - - Remember that all of this could be yours for under 5 a month, dont pay a professional hundreds of pounds for a Flash website when you can create your very own for a fraction of the cost! If you are still undecided here is a list of the chapters included in the eBook: 1. Getting Started 2. Step by Step guide 3. How to create your site 4. Customizing your site 5.

Adding Content 6. Adding Extras 7. Add more pages & Sub-pages 8. Publishing to the web Every chapter is written in simple; non-technical language so that even those of you with no previous experience of web design can build your own website. The instructions also include large diagrams for every part of the site building process, making it impossible for you to get stuck or go wrong. It is so simple that even my Nan could do it! ****Please read the important information below**** A number of buyers have been asking me about the cost of this item. Please note that the price that you pay to me for this item is the price you see below. You are under no obligation to sign up for the monthly cost once you have purchased the eBook.
