Whole family music; American roots style. 11 MP3 Songs in this album (33:02) ! Related styles: KIDS/FAMILY: General Children's Music, COUNTRY: Americana People who are interested in Grateful Dead Dan Zanes should consider this download. Details: Ben Rudnick Friends, the acclaimed American roots style family music band, will release A Frog Named Sam this spring. The bands versatile musicianship is evident with more depth and skill than ever in this new release, featuring 11 whimsical and high-spirited tunes. The rockin title track tells the tale of a croaking frog who doesnt like the water and starts a rock band in the city. The doo-wop Three Little Fishes offers up a swimmingly fun story and sing-along fun. Race Car is a road-tested traveling tune that is smoking down the track. Crossing the street becomes a joyous adventure with the tune I Need a Hand. Two instrumental jigs offer perfect soundtracks for family dance parties, and listeners will delight in the new arrangements of classic folk tunes Erie Canal, Old Joe and Greensleeves. The tune The Santa Fe echoes Americana classics, but it is a new tune penned by band member John Zevos.
