

## Mp3 Dcap - Deaf Children At Play

[DOWNLOAD HERE](#)

DCAP "Deaf Children at Play" a Rock Band of "East Coast 21st Century Rock meets the West Coast Hollywood Underworld." with more surprises than a Quentin Tarantino movie. 15 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: DCAP has been working hard over the last couple of years to create something new and different that does not fall into any category of mainstream music. Now with their latest release; the DCAP self titled album, their efforts have paid off. The intensity and focus of, DCAP's new album finds Steven Roberts and company in top form with songs like "Beautiful Liar", "Vampire", "California Blues" and "Take Two" represents the bands most entertaining and diverse works to date. The record was recorded at DCAP's 314 Studios in Los Angeles, California and mastered at "Audio Arts" in Las Vegas, Nevada with DCAP's complete focus and commitment to produce an album of "East Coast 21st Century Rock-n-Roll meets the West Coast Hollywood Underworld". DCAP's new record is the next chapter in the evolution of "Deaf Children at Play" with a supercharged high octane Album while still maintaining the polished song writing and mastered instrumentation. We here at DCAP feel that talk is cheap - so you be the judge. Have a listen - Cheers !!!
