

Mp3 Digs - Pop: British Pop

[DOWNLOAD HERE](#)

Formed in 2006 by three friends, Digs hasn't stopped evolving since the first rehearsal, to their recording sessions in december 2006. Their first album is set to realease during the month of february. 6 MP3 Songs POP: British Pop, ROCK: Punk Details: Formed in 2006 by three friends, Digs hasn't stopped evolving since the first rehearsal, to their recording sessions in december 2006. Their first album is set to realease during the month of february. Greatly influenced by retro rock'n'roll acts such as the Velvet Underground, the Rolling Stones and the Who, Digs songs evolve on the heritage of these bands, sincerity being their key word.
