Experimentally driven dance grooves, mood music with gothic overtones and trance house undercurrents. 9 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Dance Details: DVICE is a Philadelphia and Atlanta based digital DJ who has been eXperimenting with electronic music long before it was convenient or popular. What once was considered a relaxing hobby has since grown into a passionate obsession. DVICE created Synapses Apex Studios and his various alternate musical personalities. The self proclaimed multi-personality DJ DVICE is never content with personal success and continues to combine styles, cultures and techiques. Byte My Hinney! is the first of a series of CDs to be released from the 200 plus song library "Gentrification of your Neighborhood" a collective foray in environmental sounds, cybernetic nature and rythmic basslines that flourish in sonic surrealism. Perfect music for a casual drive by or a frantic escape from a flamming volcano. Not your regular Hip-Hop supplement, not for the faint of heart or weak sound systems. DVICE is eXperiMental with the emphasis on 'MENTAL'.
