This CD contains SOULFUL BLUES with JAZZY SWINGING grooves and powerful Rock... ROCKING... This CD smokes... Cut Live in Europe with all PRO'musicians. 10 MP3 Songs BLUES: Jazzy Blues, JAZZ: Smooth Jazz Details: Artist: ED ROBINSON cd: "SMOKIN'SECTION Blues Jazz / vocal with band - Recorded LIVE in Europe!! Here, Ed Robinson is featured in some of his finest vocal and piano work yet. his flexible and diversified style allows him to settle into any number of grooves where he can swing, rock and croon in a way you've never heard before. this guy really knows how to generate power. Playing piano professionally since the age of six, ed it is accurate to say, ed has grown up with his piano Recorded live in Europe in the 90s, this down to earth Blues project begins with a simmering swing To a powerful crescendo that explodes with soul and excitement. You are about to experience a combination of blues and jazz in a way you've never heard. Ed Robinson gives an electrifying performance with skillful vocals and masterful piano work. In our times, it is unusual to find an artist able to render a genuine performance of blues and jazz (swing or ballad) with such honesty. This alone makes this CD a must for your music collection. This is real "raw" Blues Be sure to listen to the "dangerous" harmonica solos. This combination of Ed and this dynamite group of musicians (European and American.) not only gives more power to the music but also adds a smell of smoke simmers from the combustion of this powerful live performance! The way this cd smokes, no wonder they call it, smokin section! Permanent Power Music (ppm) College Park b-211042 Detroit, M
