Music for sailors... and normal people. Dedicated to all those poor souls who are addicted to boats - by a full time cruiser and songwriter. 13 MP3 Songs POP: Folkly Pop, FOLK: Modern Folk Details: Eileen Quinn - sailor, songwriter and former mermaid - has spent the past five years cruising the eastern seaboard and circling the Caribbean. Eileen's original songs describe, with humor and insight, the ups and downs of bluewater cruising. With the release of Degrees Of Deviation, her second recording, Quinn has firmly established herself as the creator of a new musical genre, affectionately dubbed as "bluewater". "That's what influences me most, and I can't think of a better way to describe the rhythms and melodies that result," she says. Order your own copy of Degrees Of Deviation to experience how "Quinn writes and sings songs about sailing that, often in the same verse, bring tears and laughter to her audiences" and why she "now has a place of honor on the shelves of almost every cruiser who has heard her perform, right next to Jimmy Buffett." (quotes from BOAT/U.S. Magazine) People who are interested in Jimmy Buffett Joan Baez should consider this download.
