A fused alternative style blending elements of bands like pulp, Radiohead and Elvis Costello 10 MP3 Songs POP: Dream Pop, ROCK: Glitter Show all album songs: Aphanus Rolandri Songs Details: Raw, bombastic pop with gritty acoustic guitars, keys and city rhythms placing it somewhere between Manchester and Motown. kevin phinney entertainment journalist .....ringing guitars, jazz-inflected keyboard fills, and a rhythm section that responds in kind. For them, instrumental showboating is counterproductive; the song is their muse, and soaring above it all are the unvarnished vocals of Hardyrock. It's a unique instrument of communication, vulnerable and yet strong and true; delivering songs of triumph and defeat, reflection and rebirth.
