Royalty free drum loops that range from all styles including: HipHop,Reggae,Pop,R&B, Reggaeton, Euro Dance, Dance Hall. 70 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Hip Hop Details: This loop cd was created with the Producer in mind. We have created these loops so that beat makers can have the advantage of using high quality drum loops in their music creations. Unlike other loop cd's we have many styles to choose from. Hip Hop, Reggae, R&B, Pop, Dance Hall ect. All you need to do is sample the loop with your mpc or sampler and get started, or you can simply drag and drop the loop in an audio session in pretty much any recording program such as: Protools, Logic, Acid, Cubase Cakewalk and many more. These loops start directly on the first bar perfectly, so all you have to do is match the tempo and thats it. These loops will add a very professional edge to any recording. Each loop are mixed down to a two trak stereo mix, and when it comes to editing these loops it's a easy, cut, paste, drag and drop thats it. These drum loop samples are the next wave of style and perfection.
