Singer/songwriter/ Pianist. These songs dig deep into your soul. Deep and dark with many vocal parts. 14 MP3 Songs EASY LISTENING: Soft Rock, FOLK: like Joni Details: Kandina Jane is a Singer Songwriter from North Wales U.K.She has been writing songs from an early age and fronted "The Exit" a popular band from North Wales that went on to support The Alarm and All about Eve.She then went on to front her own band, "The Deans Daughter" which was a creation to bring her solo songs to light. Move Forward is a long awaited solo album and has a very acoustic feel and has songs that have been written over her career. Kandina has now formed a band called Sonar to play her songs live and is fronted by her Producer and Musical Director Gordon Milton.(Guitars,Keyboards and Sax)Other band members are Top Session players Gary Bowker (Bass) Matty Roberts(Drums)Peter Williams(Keyboards)and one of televisions top session guitarist Wyn Pearson. The Album "Move Forward" is an eclectic mixture of ethereal musings and Kandina wants it to float out of your speakers and into your soul
