

Mp3 Lefty Jones Band - Lord Have Mercy On My Soul

[DOWNLOAD HERE](#)

twangy, bumpy, retro, and fun 22 MP3 Songs FOLK: Folk Pop, COUNTRY: Country Folk Details: The Lefty Jones Band is based in New York City, but there are satellite Lefty members in Nashville, Seattle, and upstate New York. Sometimes we record with the entire band, sometimes with missing links, and sometimes it seems that the only one who shows up is the dog. This record is a real bare-bones affair in honor of said dog. Hope you like it.
