URBAN/R&B: R&B Rap mix, HIP HOP/RAP: Hardcore Rap Details: MASSIVE AKA MASSDOG "Get Ya Mind Right" In an industry dominated by new and younger talent, it's not easy for a rapper / producer with a career spanning more than ten years to be taken seriously at age 36. Working with gold and platinum artist such as Roger Troutman, Bobby Womack, Snoopdog, Daz, Kurpt, MC Eight, Frost, Baby Bash and Rappin 4Tay along with producers DJ SLIP and DJ Unknown of CMW, DJ FATJACK of Massmen, and Shorty B from Too Shorts camp just to name a few has all help to develop Massdog into an artist well worthy of respect. Working behind the scenes as a producer, engineer, beat maker and doing just about every dirty job one could think of to get in the music business he has done. Now it is his time to shine on the mic and he dose it like a real G. Massdog's music bangs beat after beat and his rhymes style is smooth. His fans base grows bigger and bigger because they can all relate to the struggle in his music. Not just the same old mindless bullmake you hear everyday but some real make! Although he is not signed to a label he has not let that stop the production and release of his own albums. Massive AKA Massdog is a true independent artist from the streets of Los Angeles.
