Phatsack- a mixture of many styles. Ranging from Punk, Metal, Funk, and Experimental. But to sum them up punk rock that entertains everyone 14 MP3 Songs ROCK: Punk, ROCK: Funk Rock Details: From the Belly of central Minnesota rumbles the phenomenon known as "Phatsack". Started in 2000 "Phatsack" is a mixture of many styles. Ranging from Punk, Metal, Funk, and Experimental. But to sum them up punk rock that entertains everyone. If you don't like the fast heavy music you'll be laughing at the on stage antics of Jeremy Olson, his perverse gestures and creepy movements along with his dark death metal style howling will keep you shocked and laughing on through the night. If that's not enough guitarist Cliff Nelson's punk/thrash style guitar and Chad Garfield's hard hitting progressive drumming. Mixed with Brent Shepard's funk/punk bass and snarly punk vocals makes "Phatsack" the music experience for everyone.
